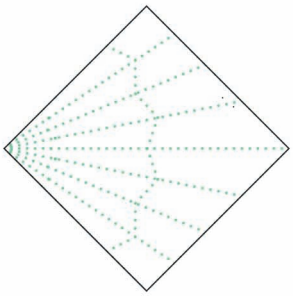
COLORIGAMI

FAUNA

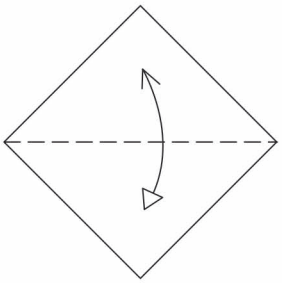
CIGNO

FACILE

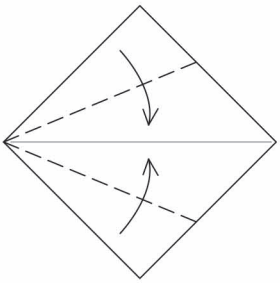
1.
Comincia con il foglio in questa posizione (con il retro rivolto verso l'alto).



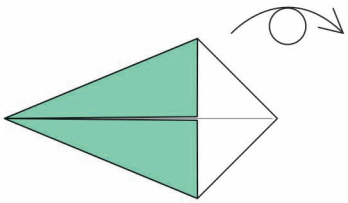
2.
Piega il foglio a metà lungo la diagonale e riapri.



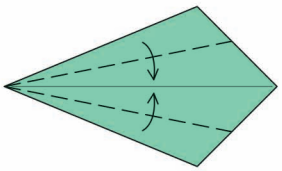
3.
Piega le sezioni indicate verso il centro seguendo le linee guida.



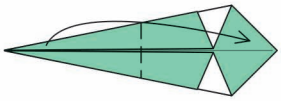
4.
Volta il modello.



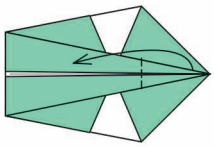
5.
Piega di nuovo le sezioni indicate verso il centro.



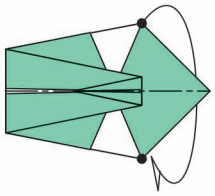
6.
Piega a metà lungo la linea guida.



7.
Piega la punta lungo la linea guida.



8.
Piega il modello a metà (la parte superiore dietro quella inferiore).



9.
Solleva la testa e appiattiscila.

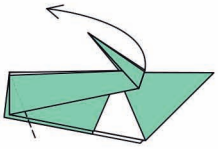
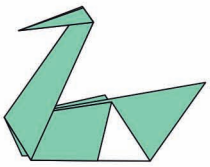
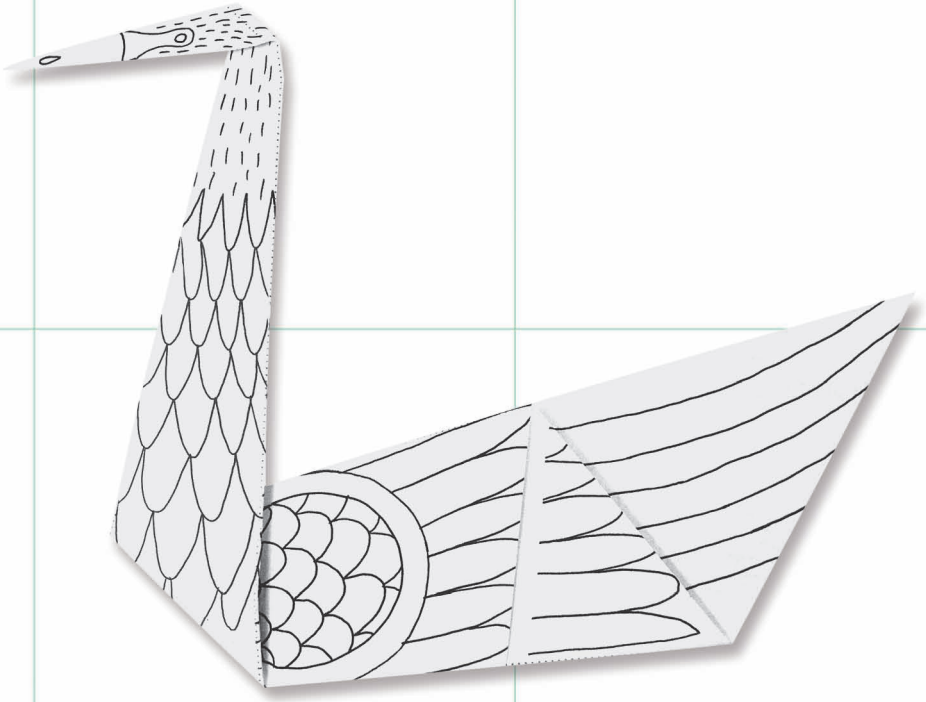
CIGNO (SEGUE)

10.
Solleva il collo e appiattiscilo.



11.
Il Cigno è finito.





Seguendo queste istruzioni puoi realizzare un cigno in 3 modelli.

Per ogni modello stampa sempre le coppie di pagine su un unico foglio fronte e retro:
MODELLO 1 pagine 3-4
MODELLO 2 pagine 5-6
MODELLO 3 pagine 7-8
